From simple to sophisticated.

Introducing our new Lifetouch Yearbook Creation Tool.

Enhanced drag-and-drop functionality

12 new themes

New page layouts

Intuitive navigation

We make it **fun** and **easy** to tell your school's story:

- Picture Day images automatically upload for you to flow onto pages.
- Build pages effortlessly: choose a layout, add images and captions and you're done.
- Inspirational resources and tools for every stage and every page.
